## GENERAL INFORMATION

**Guarantee**—All cattle sold subject to a sixty-day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. All cattle have been blood tested for Bang's Disease and Tuberculosis within a period of thirty days prior to the sale. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. Animals returned to sellers, because they do not comply with guarantee, will be at buyer's cost of transportation.

**Terms**—The terms of the sale are cash unless arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the Sale Manager, Clerk of the Sale, nor Association assumes any liability, legal or otherwise.

**Registration**—A certificate of registry and a signed transfer will be furnished for each lot sold.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

All animals in this sale have been tested for Tuberculosis and Bang's Disease and health charts to comply with the regulations of any state will be provided.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.

**Mail Bids**—Those unable to attend the sale may send their bids to the Secretary and Sale Manager, P. T. Brown, Tangier, Indiana, the Auctioneers, or Hal Langley of the Shorthorn World.

**Auctioneers**— C. D. Swaffer, Tulsa, Oklahoma; Earl S. Ray, Tangier, Indiana.

**Saltoun Bridegroom**

Saltoun Bridegroom, the great imported bull now heading the Allison herd, sired the Champion Bull and Champion Female in the State Gold Medal Calf Show this summer. The top selling bull in our sale last fall was one of his sons.

● H H F COMMODORE BOUNCE is another son of the Champion sire Sunset Bounce, whose sons in other herds are doing a good job for their owners. From a dam by Robinwood Royal Leader, and from a family of Augustas that rank high among the good cows here at Hanson Heights, Commodore Bounce is a good individual and has a pedigree back ground which entitles him to become a good sire.

Cruggleton Bounce

Cruggleton Bounce, bred by A. J. Marshall in Scotland, was second Reserve Champion at Perth. Imported and used by Otis A. Carter, he is now in service in the Hanson herd.

They have attracted a lot of favorable attention in Indiana because they consistently won the Get-of-Sire in several of our strong Gold Medal Shows last summer. They are all sired by H H F Upright Bounce, a prepotent young grandson of Cruggleton Bounce and Pittodrie Upright. They are all out of daughters of Broadfields Control by Broadfields Air Pilot. M L Bounce is wide, deep, low set and thick with a strong head and heavy hindquarters.

• ELCONA ROMAN LEADER 2D is another son of Elcona's senior herd sire. Edellyn Roman Mercury was used jointly by Harry Greene and Cyril Mumford in Canada, where he made a notable record. The above pedigree shows a double infusion of Calrossie Mercury blood, with Edellyn Royal Leader at the top, a cross that has produced more good Shorthorns in this country than has any other breeding. Rigfoot Sensation, a grandson of Rosehaugh Mandarin, was twice Canadian National Grand Champion.

- STARRY ARCHER is a soggy, red bull with an excellent head, deep body, heavy bone and full quarters. An excellent testimonial to the easy feeding ability of this bull is the fact that since coming off grass the first of November he has had all the corn silage he could eat plus three pounds of Purdue Supplement A per day. His mother has had three calves, each by a different sire, and each calf has been a good one.
